**Day 2**  
*Getting Clear Part 2*

# Grow. Expand. Thrive.

Using the table you filled out on the last day, go back and write down exactly how you want each area of your life to look if there **were no limits**.

If you were as powerful and resourceful as you wanted to be, how would the following look?

- Health
- Relationships
- Money
- Work
- Passion/energy

## Question...

What determines your level of power and resourcefulness?

## Answer...

It's entirely up to you. You can both embrace all of your power and see what you are **really** made of, OR you can put a limit on your thinking and actions and continue to produce results you are unhappy with.

You can use your notebook to write down, or you can use the table on the next page...
